

REMARKS/ARGUMENTS

The present application is a national stage application of PCT/EP04/10064. An Article 34 amendment was filed replacing one original claim.

The pending claims are based on the Article 34 claims.

The claims are amended to remove multiple dependency and change the term "the use of compound," to read "the method of using".

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, P.C.
